Meeting Agenda

PUBLIC WORKS COMMITTEE

Grif Chalfant, Chairman
Michelle Cooper Kelly, Vice Chair
Johnny Walker

Tuesday, January 28, 2020

Council Chamber

Immediately Following Economic/Community Development Committee

CALL TO ORDER:

MINUTES:

20191200 Regular Meeting - December 17, 2019

Review and approval of the December 17, 2019 meeting minutes.

BUSINESS:

20200051 2011 SPLOST TIP Summary

Discussion on the 2011 SPLOST TIP Summary.

20200052 2016 SPLOST TIP Summary

Discussion on the 2016 SPLOST TIP Summary.

20190773 2022 Proposed SPLOST

Consideration of projects for the anticipated 2022 SPLOST.

20200053 Lovena Drive SE Utilities

Consideration of a motion authorizing a variance from the Underground Utilities ordinance to allow the installation of fiber to be over lashed on existing fiber along Lovena Drive SE from South Marietta Parkway to Lucile Avenue SE. This motion does not grant a perpetual variance. MCIMetro/Verizon must relocate underground at their expense if other utilities at the location are moved underground.

20200054 Barnes Mill Road Utilities

Consideration of a motion authorizing a variance from the Underground Utilities ordinance to allow the installation of fiber to be over lashed on existing fiber along Barnes Mill Road from Wallace Road to Coventry Township Place. This motion does not grant a perpetual variance. MCIMetro/Verizon must relocate underground at their expense if other utilities at the location are moved underground.

20200055 Gresham Rd NE Utilities

Consideration of a motion authorizing a variance from the Underground Utilities ordinance to allow the installation of fiber to be over lashed on existing fiber along Gresham Rd NE from Cobb Parkway North to North Marietta Parkway. This motion does not grant a perpetual variance. MCIMetro/Verizon must relocate underground at their expense if other utilities at the location are moved underground.

20200060 Gresham Avenue Utilities

Consideration of a motion authorizing a variance from the Underground Utilities ordinance to allow the installation of fiber to be over lashed on existing fiber along Gresham Avenue from Washington Avenue to North Cobb Parkway. This motion does not grant a perpetual variance. MCIMetro/Verizon must relocate underground at their expense if other utilities at the location are moved underground.

20200056 Bentley Road Utilities

Consideration of a motion authorizing a variance from the Underground Utilities ordinance to allow the installation of fiber to be over lashed on existing fiber along Bentley Road from 2605 Bentley Road to Delk Road. This motion does not grant a perpetual variance. AT&T must relocate underground at their expense if other utilities at the location are moved underground.

20200057 Lawrence Street Traffic Calming

Consideration for traffic calming devices on Lawrence Street from the Cole Street intersection to Fairground Street. Public Works would conduct a speed study in the affected area to evaluate vehicle volumes, speeds, and other conditions. The results of this study could determine if and what traffic calming devices may be needed.

Requested by Council Member Copeland

20200058 Roosevelt Circle Traffic Calming

Consideration for traffic calming devices on Roosevelt Circle. Public Works would conduct a speed study in the affected area to evaluate vehicle volumes, speeds, and other conditions. The results of this study could determine if and what traffic calming devices may be needed.

Requested by Council Member Copeland

20200059 Manning Road Traffic Calming

Consideration for traffic calming devices on Manning Road. Public Works would conduct a speed study in the affected area to evaluate vehicle volumes, speeds, and other conditions. The results of this study could determine if and what traffic calming devices may be needed.

Requested by Council Member Walker
