20200859 Proposed Revision to the Stream Buffer Protection Ordinance

Motion adopting the revised Stream Buffer Protection Ordinance for the Metropolitan North Georgia Water Planning District (MNGWPD). They have required all local governments within the MNGWPD, including the City of Marietta, to revise and adopt an ordinance in accordance with the MNGWPD model ordinance for stream buffer protection. This requirement will allow the City of Marietta to fulfill its responsibility to protect and maintain stream water quality.

The purpose of this update and revision is to address comments from a recent audit by the MNGWPD and to protect the public health, safety, environment, and general welfare; to minimize public and private losses due to erosion, siltation and water pollution; and to maintain stream water quality.

Second Reading

20200860 Proposed Revision to the Litter Control Ordinance

Motion adopting the revised Litter Control Ordinance for the Metropolitan North Georgia Water Planning District (MNGWPD). They have required all local governments within the MNGWPD, including the City of Marietta, to revise and adopt an ordinance in accordance with the MNGWPD model ordinance for litter control. This requirement will allow the City of Marietta to fulfill its responsibility to regulate and remain in compliance with prohibiting litter.

The purpose of this update and revision is to address comments from a recent audit by the MNGWPD and to protect the public health, safety, environment, and general welfare through the regulation and prevention of litter.

Second Reading

20200861 Proposed Revision to the Post-Development Stormwater Management for New Development and Redevelopment Ordinance

Motion adopting revisions to the Post Development Stormwater Management for New Development and Redevelopment Ordinance, to replace and become known as the Post Construction Stormwater Management for New Development and Redevelopment Ordinance. The Metropolitan North Georgia Water Planning District (MNGWPD) has required all local governments within the MNGWPD, including the City of Marietta, to revise and adopt an ordinance in accordance with the MNGWPD model ordinance for post construction stormwater management for new development and redevelopment. This requirement will allow the City of Marietta to fulfill its responsibility and remain in compliance with the MNGWPD's requirements for the management of stormwater, post construction, as related to the development and redevelopment of land.

The purpose of this update and revision is to protect, maintain and enhance the public health, safety, environment and general welfare by establishing minimum requirements and procedures to control the adverse effects of increased post construction stormwater runoff and nonpoint source pollution associated with new development and redevelopment.
