Celebrate Public Power Week with Marietta Power and Water

Celebrate the many advantages of having a public owned utility on October 2 – 8, 2016. As a Marietta Power and Water customer, you are one of 48 million Americans who benefit from a community-owned, not-for-profit electric utility company. Being part of this special group allows you to have a say in your utility’s operations and policies. Marietta Power and Water make it their mission to provide reliable and safe electricity at a reasonable price. Now there’s a reason to celebrate!

To get the most for your money as a Marietta Power and Water customer, visit www.mariettopowerandwater.com for the complete list of services available to you. 💧

Clean Water Week 2016

Clean Water Week provides a unique opportunity for both water professionals and the communities they serve to join together to recognize the vital role water plays in our daily lives. Everyone at Marietta Power and Water are dedicated to delivering water to you that exceeds federal drinking water standards established by the U.S. EPA. Water is important to all of us — its availability, its quality, and its use. Marietta Power and Water is committed to providing our customers with high quality water and excellent customer service.

To learn more about water and water conservation visit www.mariettopowerandwater.com. 💧

Customer Appreciation Lunch

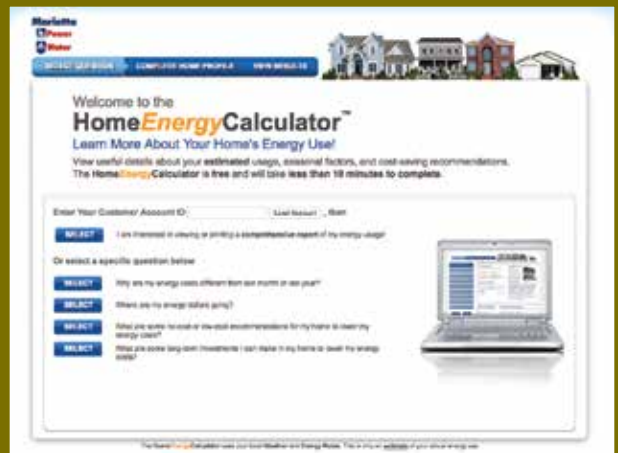

As a thank you to all of our customers, Marietta Power and Water would like to invite you to a Customer Appreciation Lunch on Friday, October 7. The first 250 customers will receive a hot dog lunch and free giveaways. You can also meet Marietta Board of Lights and Water Chairman, Mayor Steve “Thunder” Tumlin.

What: Customer Appreciation Luncheon

Where: Marietta Power and Water, 675 North Marietta Parkway NE, Marietta, GA 30060

When: Friday, October 7, 2016, 11 a.m. to 1 p.m. 💧

Calculate Your Home Energy Use with Marietta Power and Water's Home Energy Calculator

Our home energy calculator is an online application that provides answers to your energy questions. By entering basic information about your home, the calculator easily estimates your energy bills and potential savings.

- Get a comprehensive report about your home energy usage
- Find out why your energy costs are different from month to month
- Learn where your energy dollars are going

- Get some no-cost or low-cost recommendations to lower your energy costs as well as some long-term investments to make your home more energy efficient

In just a few clicks, you can see where you are using the most energy and ways you can save. The Home Energy Calculator is free and takes only about 10 minutes. Visit www.mariettagov.com, click on Power in the top navigation bar, then Residential Energy Calculator and start saving today. 💧
